## About the Programme

We have created the best affiliate scheme in the market to match our other available products and with this in mind, our partners can comfortably navigate and generate business within this extremely competitive space. You will find an easily accessible system where unique links are assigned to affiliates and can be used on multiple occasions on various platforms.

We would be thrilled to work with you and reach new peaks together.

## REASONS TO JOIN US:

### Payout process

We pay our affiliates on a daily of each month for sales taken place during the previous period. The minimum payout is \$10 and you have to refer a minimum of two separate customers. Self - purchases are also accepted!

Affiliate rewards are automatic so you do not have to do anything and your rewards will be sent to your chosen

### Affiliate area

To easily navigate through your affiliate area, please go to the Affiliate website that you received from us via email, sign in and choose Reports at the left sidebar where you can access all the information regarding your affiliate relations.

To see who signed up under your unique link, please click on Commission and check your affiliate's Order ID number.

### Rewards scheme benefits

We want to reward you for your efforts by giving a whopping 5% commission for each newly - referred customer. You can work from the comfort of your home or wherever you are in the world and reach large audiences online with your referral links.

### High Conversion Rate

Our website and business model generate one of the highest conversion rates in the industry. Our high rates mean that the people who you refer to us are more likely to buy our products. If a customer comes from your site to ours, and then comes back to purchase in 60 days, you get credit.

## HOW DOES IT WORK?

10

Visitors click on an affiliate link on your preferred platform

20

The visitor's IP is logged and a cookie is placed in their browser for purchase tracking purposes.

30

Your client goes through our Accounts and decides to place an order.

40

If the visitor orders – The order does not have to be during the same browser session as the cookies and IPs are stored and the order will be registered as a sale for you. But keep in mind, the purchase will have to go through the same browser, not incognito mode and only the first purchase counts.

50

Our system reviews and approves the sale.

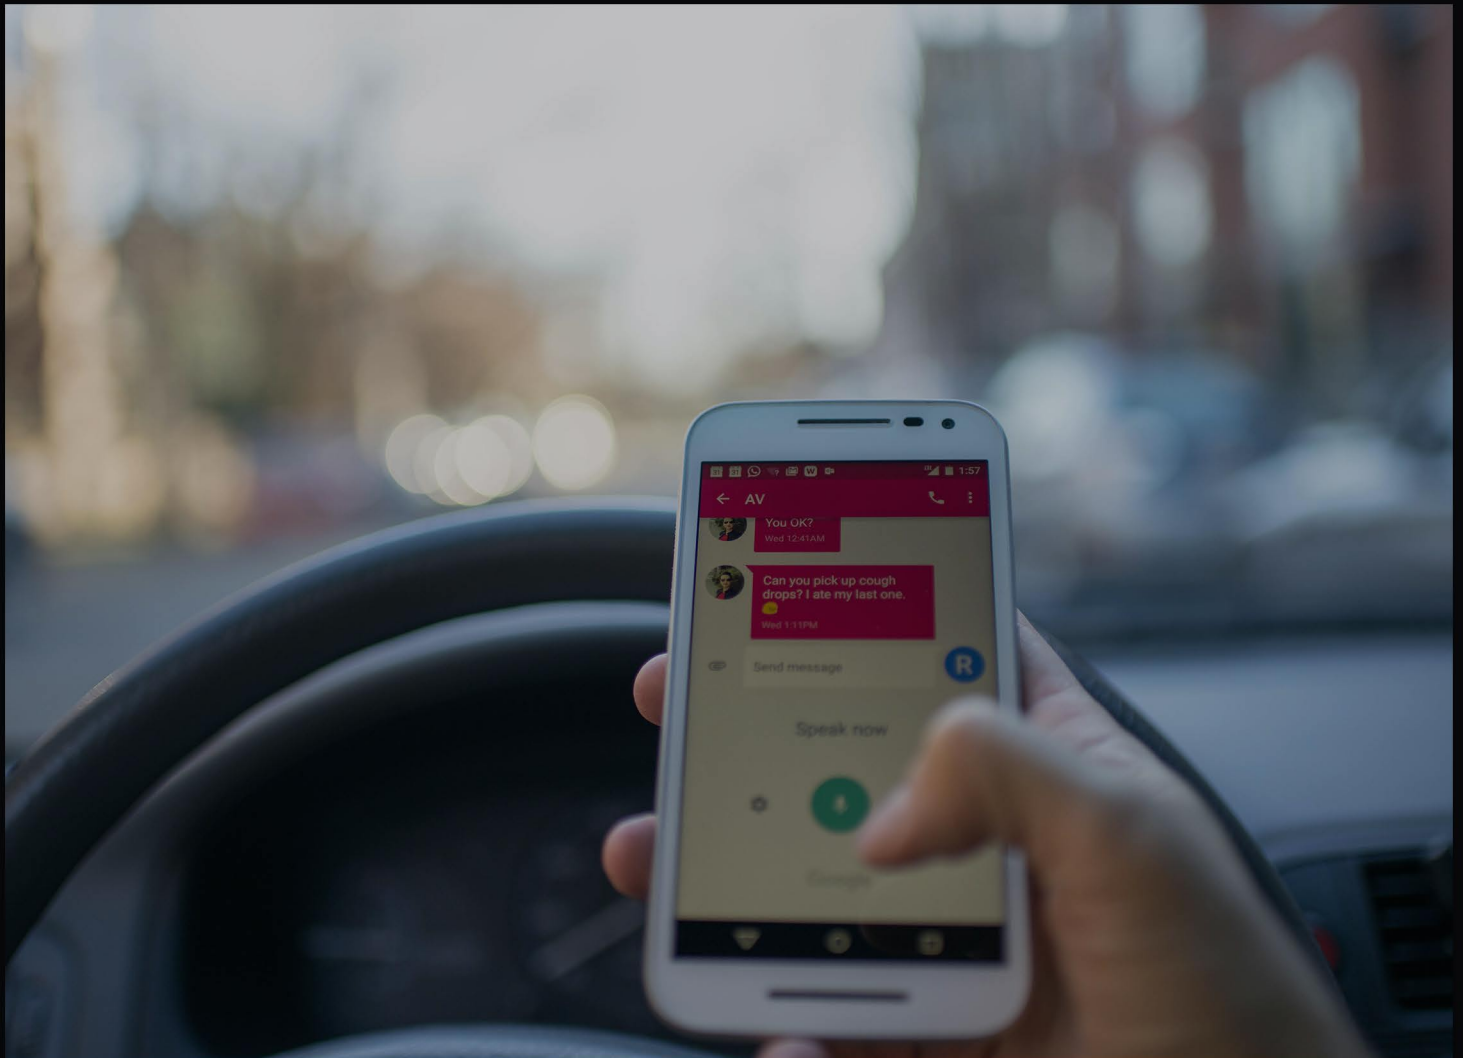

60

The visitor's IP is logged and a cookie is placed in their browser for purchase tracking purposes.
